

CUSTOMER SUCCESS STORY

ATOS ORIGIN

NHS Walk in Centre
30 Marsh Wall
London
E14 9TP

Ground Floor Fit Out - NHS Medical Centre

Including Building Fabric, Mechanical & Electrical Services, Structured Cabling Infrastructure and Comfort Cooling.

Following the government rollout programme to provide Walk-in access to NHS facilities, Atos Origin commissioned these works in the heart of Docklands.

Project Overview

Carter Synergy delivered a full turnkey package providing 10 medical rooms, analysis rooms, meeting rooms and staff facilities across a 700M² ground floor.

Project Programme

10 weeks

Project Budget

£305K

All works were completed to meet exacting NHS standards and were designed to provide a safe place of work for the local staff.
