Staff Kitchen Facilities

Rail House, Reading is a Multi Tenanted 10-Storey Building located adjacent to the Railway Station in Reading.

After evaluation of their property portfolio Atos initially took the 4th floor of Aquis House as replacement offices for Bridge House in Reading and senior management from Uxbridge. The 3rd Floor was leased 3 months later after securing new business.

Project Overview

Both floors were in a lettable condition and the contract involved the creation of new offices, meeting rooms, staff facilities and a 4th floor reception.

The total floor area was approx. 140 sq.m and involved the installation of dedicated

air conditioning to the comms room and underfloor powertrack system and Cat 5 structured cabling infrastructure.

Project Programme

February - March 2005	(4th Floor)
July - September 2005	(3rd Floor)

Project Budget

£235k (4th Floor)
£300k (3rd Floor)
